

A modern office interior featuring a bright red kitchen unit with a built-in oven and a glass-fronted cabinet. In the foreground, there are several red, curved chairs around a white table. The ceiling is white with two large, circular, black-rimmed pendant lights. Large windows on the right side of the room provide natural light.

NEW OFFICE FIT OUT PARIS AND AMSTERDAM

JCA was engaged to carry out fast track D&B Cat B office fit outs for two European offices. Works included installation of new glazed and solid partitions, soft floor finishes, fitting out kitchen areas, as well as lighting and power installation and necessary statutory modifications to comply with local regulations. Our team was also engaged in finishes such as decorations and feature signage to both offices.

"I am so pleased with the new offices in Amsterdam and Paris. They look great and I couldn't be happier. The combination of JCA teams and their subcontractors was perfect. They were a dream to work with and made fitting out two offices, in two different countries at break-neck speed not seem so daunting. They have all been amazing over the last three months and I am very grateful to them for being so supportive."
